ANNEX A – Governance Meeting Structure Clarification

This annex clarifies the distinction between operational meetings and formal governance reviews.

Meeting Type	Frequency	Purpose	Regulatory Function
Monthly RTO Operational Meeting	Monthly	Operational monitoring of delivery, complaints, student matters and immediate risks	Supports monitoring
Quarterly Governance Management Review	Quarterly	Formal oversight of compliance, risk, validation, certification, workforce and financial controls	Demonstrates Outcome 4.1 & 4.4 compliance 20250820-outcome-standards

Key Distinction:

- Operational meetings manage day-to-day matters.
- Governance Management Reviews evaluate system effectiveness and compliance performance.
- Both are required for a mature Quality Management System.
